

Uni-Care NZ Student Plan

NZ Student Plan is designed to protect you from when you leave home until you return

Uni-Care has been insuring travellers to New Zealand for more than 20 years. That makes us the most experienced provider of travel insurance for international students and visitors coming to New Zealand.

NZ Student Plan Cover

NZ Student Plan is designed to cover the unexpected while away from home. Coverage limits are detailed in the Schedule of Benefits. Designed to help protect against the risks that accompany travelling and living overseas, NZ Student Plan also covers temporary return to Country of Origin as well as trips to Australia and the South Pacific. Plus, you may also upgrade NZ Student Plan to cover visits to other countries.

Insurance is compulsory for International Students

All international students are required to have health and travel insurance while studying in New Zealand, so be safe and insure with Uni-Care. NZ Student Plan exceeds the insurance requirements of the NZ Ministry of Education's Code of Practice for the Pastoral Care of International Students and when taken out for the period of your stay in New Zealand, your NZ Student Plan Policy will ensure you meet Immigration New Zealand Student Visa Insurance requirements.

Pre-Existing Medical Conditions

Pre-existing medical conditions are not automatically covered. In some circumstances cover can be arranged.
